## Sunken Meadow Field Complex

Installation of the backstops and dugouts at Sunken Meadow Fields is now 60% complete.

Right: backstop installation

## The Avon Walk

This pink tulip ribbon was planted last October by the Avon Foundation as part of Avon Walk in recognition of those whose lives have been touched by breast cancer and those who support the fight to eradicate it. It was visible from the FDR Drive in early May and provided many visitors to the Park and NYC commuters with this beautiful commemoration.

## Tree Planting Volunteers

Volunteers from Bloomberg joined forces on April 30 and planted 40 10' tall trees, weighing about 300 pounds each. It was truly a team effort to get each tree in the ground, backfill the hole, add compost and complete the project with professional results.

BRAVO to all our wonderful volunteers!

## Randall's Island Golf Center

Randall's Island Golf Center is in full swing (no pun intended). The full-service golf and batting facility is open 7am-11pm, seven days a week. Bring your family for a fun day of play at the golf range, miniature golf, batting cages, volleyball, badminton, bocce ball, horseshoes, full service beer garden and grill, WiFi lounge and much more! Host your next birthday party or corporate event at the golf center. Full catering available.

To arrange an event email: [Kelley@randallsislandgolf.com](mailto:Kelley@randallsislandgolf.com)

To sign up your kids for the Golf Center's Multisport Camp (golf, tennis, soccer, horseback riding and softball/baseball):

visit [www.randallsislandsportscamp.com](http://www.randallsislandsportscamp.com).

Randall's Island Park is part of the NYC Cycling Map 2009 which includes 90 miles of new bike routes. Come and enjoy the park!
